1 Forest ~~area~~ land — general policy regarding grant for cultivation.

2 Letter no B3-346-3163/58 dt 20-7-59 from the CCF maybe perused. (D. 6959)

3 The CCF states that lands granted on Agri-Silvi ~~basis~~ System to DC. SC & ST & other tribes of nomadic type maybe converted as inforest settlement as per (GR. of Bombay) no. FDM. 1055 dt 3-10-1955 provided the conditions stipulated therein are fulfilled. ('A' page 1/cf.)

4 As per the GR no. FDM. 1055/155607 E dt 14-1-56 Agri-silvi leases should not be evicted even if they have not observed all the conditions of the lease ~~and~~ but their cases should be regularise provided they have been in continuous occupation of the land for the last 3 years. (vide 'B' at page 1/cf.)

5 The CCF therefore recommends conversion of these leases for reasons stated at ('C' p. 1/cf.) as per GRs mentioned above, into inforest settlement in view also of the fact that these lessees have spent large sums

Note.—Contn. Sheet

over their respective plots of land for improvements etc. for cultivation.

6 Among the lessees, one at serial no 5 of the enclosure (statement) at p. 7/c to the DCF's letter, died and the land granted to him on lease was resumed to Govt on 27-6-57 (vide 'D' at page 7/c as also 'C' at page 1/c) But he had spent large sums and therefore recommends to treat this plot which was resumed to the Dept by Govt. as in forest settlement lest his heirs & family will be put to hardship.

7 For orders whether the suggestion of the CCF be accepted and orders issued.

8 Consistent with the spirit of the orders issued in this behalf before and after reorganisation of the States, the areas leased out may be converted into in forest settlements irrespective of the fact whether the Agri Silvi conditions are or are not fully observed by the lessees. M(F) may kindly see before the C.C.F. is informed accordingly.

AGRICULTURE & FOREST DEPARTMENT

Sir,

Sub:-Forest land - general policy regarding grant for cultivation.

A

In enclosing a statement of lands granted on Agri-Silvi system along with the connected records received from the Conservator of Forests, Belgaum Circle, I have to state that as per the Bombay Government order No.FDM 1055 dated 3-10-1955, the lands granted on Agri-Silvi system to scheduled castes, scheduled tribes and other tribes of nomadic type may be convered as inforest settlement plot and granted to the lessees for cultivation provided the conditions mentioned therein are fulfilled. As per the G.R. FDM 1055/155607-E dated 14-1-1956 Agri-Silvi lessees should not be evicted even if they have not observed all the terms of the lease but their cases should be regularised provided they have been in continuous occupation of the land for the last 3 years. The above concessions have been extended to other Backward and Advance classes also in Government order No.AFD 73 DAR 57 dated 25-4-1957. The Conservator of Forests now reports that the lessees in question were not in continuous occupation of the lands for the last 3 years or more on the date of the G.R. dated 3-10-1955 and hence requests orders for converting the lands referred to in the statement as inforest settlement plot. Thus this is referred to Government.

B

C

2. All the lessees have failed to abide by the rules under Agri.Silvi, ~~but~~ except Sl.No.5, but are in occupation of the land for over three years and they are also reported to have spent sufficient amount to bring the lands under cultivation. The land referred to at Sl.No.5 has already been resumed to Government after the expiry of the lease. But in view of the improvement made by the lessee over the land, this case is also recommended for converting this area as inforest settlement and to grant to his family. Regularisation of these leases to inforest settlement and granting them permanently for cultivation, in spite of the failure of the lessees, intentional or other wise neglecting altogether the principle of afforestation under Agri-Silvi, would be an encouragement to the people to obtain lands under Agri-Silvi ~~and~~ to improve them for their own benefit with the ultimate aim of getting the land permanently. However in view of the G.O. dated 14-1-56 I request orders of Government on the recommendation of the Conservator of Forests to convert these leases as inforest settlements.

3. The records may kindly be returned when done with.

Yours faithfully,

(K.KADAMBI)
Chief Conservator of Forests.
